

We prefer payment before your SMA Ad is prepared & displayed. You can pay via the Internet, in person at any branch of the Savings & Loans Credit Union (a free service by Savings & Loans) or mail your payment.	Keep in mind that paying (and ordering) via the Internet involves less expense for SMA, so can attract discounts. Look out for those.

If the word you want is being used by another advertiser at the time, we will not be able to use it in connection to your ad.
